Re: *In re Cyclobenzprine Hydrochloride Extended-Release Capsule Patent Litigation*,
Civ. No. 09-md-2118-SLR

Dear Judge Robinson,

I write on behalf of Defendant Barr Laboratories, Inc. ("Barr") in response to Plaintiffs' and Defendant Mylan's letter of May 24, 2011 (D.I. 295) proposing competing briefing schedules for the appeal to the Federal Circuit.

Barr understood the Court to require a joint letter from all parties suggesting the most efficient way to get the case up on appeal; however, Barr was not consulted by Plaintiffs or Mylan prior to the filing of Plaintiffs' and Mylan's May 24, 2011 letter. Barr believes that Mylan's proposed schedule is aggressive. Nevertheless, Barr will accept whatever schedule this Court or the Federal Circuit orders.

Respectfully submitted,

Megan C. Haney (No. 5016)
